

How Do I Apply?

You can take out Misafirim Güvende Health Insurance by visiting your nearest Albaraka Türk or Kuveyt Türk branch or a Katılım Emeklilik agency.

How Do I Pay?

You can pay your premiums in advance through your Albaraka Türk or Kuveyt Türk bank account or by credit card. In addition, you can benefit from up to 9 installments on contracted credit cards.

What Are My Tax Advantages?

You may deduct all premiums paid for yourself, your spouse, and your children under the age of 18 from your tax base, provided that they do not exceed the following limits:

- If you are a salaried employee, 15% of your gross monthly salary and the total annual gross minimum wage
- If you are self-employed, 15% of your declared annual income and the total annual gross minimum wage.

Why Should I Choose Misafirim Güvende Health Insurance?

We provide coverage for the healthcare expenses of our foreign guests for both outpatient and inpatient treatments during their stay in Türkiye.

Inpatient Treatment

- Emergency medical expenses and minor interventions
- Medical and surgical hospitalization
- Intensive care
- Chemotherapy
- Radiotherapy
- Dialysis

expenses are covered at 100% with no limit at contracted institutions.

In addition, a standard private single room, meals, one companion, and home care expenses are also covered under this coverage.

Artificial limb expenses are covered with an annual limit of TRY 10,000.

At non-contracted healthcare institutions, coverage is provided with an annual limit of TRY 50,000 and a 20% contribution.

Outpatient Treatment

- Physician consultations
- Medication expenses
- Laboratory services
- Imaging and advanced diagnostic methods
- Auxiliary medical equipment
- Physical therapy (15 sessions per year)

These expenses are covered at contracted institutions with an annual limit of TRY 5,000 and a 20% contribution.

At non-contracted healthcare institutions, coverage is provided with an annual limit of TRY 5,000 and a 40% contribution.

Emergency Ambulance and Medical Advisory Service

In case of emergency, you can call **0850 226 0 123** and benefit, free of charge, from Medline's 24/7 ground ambulance with a physician and 24/7 telephone medical advisory services.
